## A Message from Our President

Funk Forging has a proud tradition of providing quality steel poles for the advertising and lighting needs of business, industry, and communities for over 65 years. Our poles are located in every state and major city in the United States and around the world.

Our family of customers knows that Funk has been a symbol of quality and service. We are proud of our history and the good relationships that we have with our customers.

We look to the future with a commitment to provide all of our customers, new and old:

- \* Quality products
- \* Technical expertise
- \* Custom designs
- \* Automated systems
- \* Timely delivery
- \* Efficient and courteous service
- \* Competitive prices

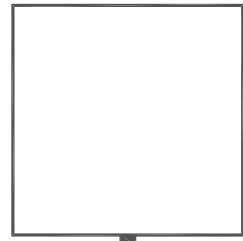

If we can be of service to you, we are just a phone call or fax away.

**Vicky Linko**  
President
